Additionally, no tape or other adhesives may be used on carpet or other flooring. Any damage caused by the Exhibitor, whether approved by DCC or not, to the facility will be billed to Exhibitor and Exhibitor will be solely responsible for said damages and agrees to hold UNC harmless for any claims of damages caused by Exhibitor. ALL Display (including banners, pop-up banners and grid wall panels for hanging retail items) MUST be within the Exhibitor's designated spaces such as not to obstruct the view of neighboring booths. Your booth space fee(s) cover the space within the set border lines surrounding your booth. You are NOT permitted to extend chairs or equipment beyond your booth boundaries, thereby utilizing a larger space. Also, please remember to keep your booth display, guest table and chairs inside your designated booth space. If the Fire Marshal determines the aisles are obstructed, even during the course of the event, the Expo could be closed until the aisles are clear and the issue is resolved. It is the Exhibitor's responsibility to read and understand the Rules & Regulations. Failure to comply with the Rules & Regulations of this contract, will result in the alteration or removal of the booth at the Exhibitor's expense. Helium balloons MAY NOT be distributed or sold inside the DCC. Helium balloons distributed outside of the facility shall not be permitted inside the facility. If helium balloons are brought inside the building, and released for any reason within the facility, all labor costs associated with the removal of the balloons will be charged directly to the Exhibitor.
6. No food or beverages of any kind can be brought into the DCC by Exhibitor, this includes candy. Bottle water is permitted if not sold by Exhibitor.
